RECORDED

George A. Keyworth, III

Director, Office of Science and Technology Policy

Dr. George "Jay" Keyworth graduated from Yale University in 1963, B.S.; Duke University 1968, Ph.D. From 1963-68 he was a research assistant and research associate at Duke University. In 1968 he joined the neutron physics staff of the Los Alamos National Laboratory where he remained until 1981, serving as assistant and group leader of neutron physics, physics division leader and acting laser fusion division leader.

In 1981 he joined the staff of the National Security Council, serving as Director of the Office of Science and Technology Policy.

Dr. Keyworth is married and has two children.
